# Announcement

W

★★★ ★★★★★

WE TAKE PLEASURE in presenting to the public our Annual Offering of Cumberland Short Horns. The offering consists of thirty-six females and eight bulls—all Scotch. Will be sold in the pink of breeding condition. Every female will be safe in calf or have calf at foot by our Cumberland herd bulls, thereby insuring their future usefulness to their purchaser.

The bull offering, by Hopeful Cumberland, is strong in breeding and individual merit.

We extend a cordial invitation to all interested in good cattle to be our guests on sale day. Sale opens at 1:00 o'clock, sharp.

JOSEPH MILLER & SONS

## Terms and Conditions of Sale

---

**Warranty**—Every animal guaranteed a breeder, with the exception of young heifers that have not been bred. In the case of cows sold with calf at foot, or showing to be in calf, evidence of breeding is present and no further guarantee is given. Cows lately bred and bulls that do not prove breeders after six months' trial, will be taken back and tried six months by us, provided they are returned in as good condition as when sold, and if they do not prove breeders another of equal merit will be given in exchange. All expense of shipments to be borne by the purchaser.

**Pedigrees**—A Certificate of Registry in the American Short Horn Herd Book will be furnished for every animal, with the exception of young calves sold with dam, and there will be furnished for these a pedigree in the application form ready for registry.

**Terms**—Cash, or short time note bearing 7% interest. Any one not personally known to us wanting time, should bring late bank reference. All stock will be loaded on the cars after sale without trouble to the purchaser, but will be at buyer's risk as soon as bid off.

**Bids**—Parties unable to attend the sale may send mail or telegraphic bids to either of the auctioneers in our care.

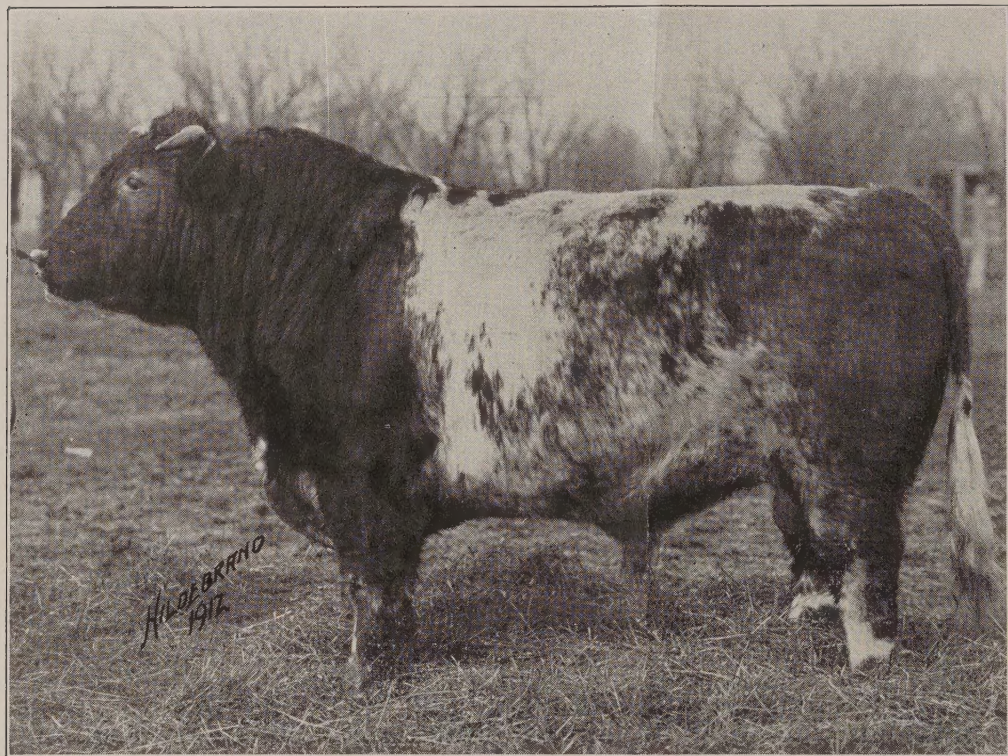

**Auctioneers**—Cols. H. L. Harriman, N. G. Kraschel, W. Milne and G. H. Burge.

**Clerk**—Chas. Hiller.

**N. B.**—Granger is 33 miles west of Keokuk, Iowa; 11 miles west of Santa Fe crossing at Medill, Mo.; 35 miles east of the Wabash crossing at Glenwood Junction, Mo. Morning trains from each way arrive in plenty of time for the sale. Evening trains each way after the close of the sale.

**Royal Cumberland 2d 334109**—a first prize winning son of the champion and sire of grand champions, Cumberland's Last, is a bull that we feel justified in making some strong claims for as a sire and show bull. He is one of the widest ribbed, shortest legged, heaviest built bulls of the breed and as a sire we doubt if any bull his age can show as many calves as uniform in conformation as those now to be seen in the herd. He is a grandson of the good imported cow Royal Princess, bred by Wm. Duthie, and sired by Royal Robin 165629; tracing through the Waterloo Princess family for ten generations, bred in the hands of the noted Scottish breeder, Geo. Shephard, of Shetlin, Scotland.

**Cumberland's Last 229822**—white, of 1904; bred by C. A. Saunders, Manilla, Iowa. One of the most noted show and breeding bulls of the present day. Is an International and Royal champion and grand champion; was sire of the 1908 International grand champion bull, also sire of the junior and reserve grand champion female of the same show. Sired by Cumberland 118578; dam, Lily Douglas, winner of numerous prizes in Scotland's leading shows, is closely related to Victor Chief, nine times a champion winner at the 1902 District shows in Scotland; is granddam of Master Ramsden, champion of the 1903 Cumberland show. It will thus be seen Cumberland's Last is a champion by right of inheritance as well as individual excellence.

**Choice Cumberland 401399**—a show bull and a sire of show calves As a senior bull calf he won three firsts and two seconds at the leading state fairs. He won second in a class of 45 bull calves at Des Moines fair. The Breeder's Gazette of September 10, 1914, in communicating on this class reads: Choice Cumberland asks little odds of any calf, so acceptable is he fashioned and finished, and he looked well next to the top" The Wallace Farmer of September 4, 1914, says: "The big strawberry roan, owned by Jos. Miller & Sons, was placed second, and with some was a favorite for first". As a senior yearling, he defeated his conqueror of the year before, and he is in better form today than ever, so will surely make them step to beat him this fall.

**Hopeful Cumberland 392004**—red, calved October 20, 1911; bred by J. Miller & Sons, got by Royal Cumberland 2d 334809, out of Lovely Queen by Victor Archer 163364; Imp.
